Quotation AN-710613 from 07/03/2016 08:26:42

This quotation is based solely on the specifications given, without review of any submitted data. Missing parameters were replaced by standard specs. Production according to IPC A-600G class 2. We sell only according to our terms & conditions (<http://www.multi-circuit-boards.eu/>).

Pos	Description	Quotation			
1	Name	OpenBeacon Proximity	Working days	Quantity (Piece)	Price (Piece)
	Type (layers)	2layers			
	Format	36mm x 36mm = 0.13dm ²	ca. 5 WD	50	2.59 €
	Surface finish	Chemical gold (ENIG)			
	Trackwidth, -space, annular ring	≥ 125µm			
	Min. drills	≥ 0.2mm			
	Material	FR4 1.55mm 35µm Cu			
	Solder-stop	both sides green			
	Marking print	both sides white			
	E-Test	inclusive			
	Extra milling	48.00mm per Piece			
plus German VAT and shipping costs					

- Please specify the desired position, production time and quantity when sending your order.
- You can order via our online [Portal](#). Your login number is: 102556.

We exclusively sell to the trade! We only close contracts with natural or legal persons or with private companies having legal capacity, who act on behalf of their commercial or self-employed professional function upon conclusion of the transaction (§14 BGB). The production is carried out according to Gerber digital data and digital data from drilling programs. Please see the technical requirements and format definitions and specifications required, in our internet site under Technical - Design-Help. Unless otherwise stated, the prices quoted are based on minimum track space: 0.15 mm (6mil) and the smallest hole diameter: 0.30 mm (12 mils) and production is acc. to IPC-A-600G Class 2. Only Monday to Friday are counted as working days (= production time). If the order, together with necessary and complete data is received, and all possible technical questions are clarified by 09:00 a.m. this will count as the first working day. The day of despatch of the goods does not count as a working day. Express Service is possible with a Surcharge, with the exception of our cost Saving-Option. The express surcharge will be invoiced based on the actual delivery time. This also applies in the event of partial shipments. In principle, we reject business to be settled on a fixed date, also in express service. We reserve the right to under-ship or over-ship up to 10% of the ordered quantity. We reserve the right to request Payment in Advance or a Deposit before starting with production, if we consider necessary. In the case of cancellation of the order, Multi Circuit Boards Ltd. is entitled to charge any costs incurred.
